

## QUICK EXERCISE – HTML Formatting

Please write your HTML code using Sublime text editor and submit your file through Google Classroom. Renamed your file as followed : name\_studentID

All the exercise should be written in ONE html file.

- 1) Create a webpage having the background in red and a heading "My First Page" in any other color.
- 2) Insert the following content in your webpage using the font format as followed:

Font-family: Tahoma, Font-size: 25px, Font-color: any suitable color

**<bold> Name : Nur Ainatul**  
**<bold> Date of Birth : 24 Februari**  
**<bold> Place of Birth : HDKK**  
**<bold> Email Address : ainatulmardiah@uitm.edu.my**

- 3) Emphasize the word "metropolitan" in the text below.  
Tokyo is the capital of Japan, the center of the Greater Tokyo Area, and the most populous metropolitan area in the world.
- 4) Add a line through (strikeout) the letters "blue" in the text below.  
My favorite color is blue red.
- 5) Apply subscript formatting to the number "2" in the text below.  
H<sub>2</sub>O is the scientific term for water.
- 6) The text below should be a quoted section. Add the proper HTML element to it, and specify that it is quoted from the following URL: <http://www.worldwildlife.org/who/index.html>  
Hint: Use the <blockquote> element, and add the cite attribute.

Here is a quote from WWF's website:

For 50 years, WWF has been protecting the future of nature. The world's leading conservation organization, WWF works in 100 countries and is supported by 1.2 million members in the United States and close to 5 million globally.

Your output will be as followed:

### Quotation

Here is a quote from WWF's website:

For 50 years, WWF has been protecting the future of nature. The world's leading conservation organization, WWF works in 100 countries and is supported by 1.2 million members in the United States and close to 5 million globally.

- 7) Make the text below go right-to-left.

What a beautiful day!

- 8) The letters "WHO" is an abbreviation of "World Health Organization". Use an HTML element to provide the specified abbreviation of "WHO".

- 9) Center align the following content.

This is the story about the student life. It gives a moral lesson to all fun-loving students who spend their valuable time in enjoying parties, movies, etc and not serious in studies because every moment of student life is valuable and time must be utilized by the students in regular studies . Now-a-days, students think that student life is very easy and full of fun today especially college life of the students. But the future of students depend upon their achievements in student life because the fun-loving students of today used smart ways to get good marks in examination

- 10) Add extra importance to the word "degradation" in the paragraph below.

Hint: Use the <strong> element.

WWF's mission is to stop the degradation of our planet's natural environment.
